

JOURNALOS Conference

Journalos Conference edition - June 2018

ISBN 978-3-7657-1441-6

ISSN: 219 318 11

The aim of this conference is to provide a worldwide forum, where the international participants can share their research knowledge and ideas on the recent and latest trends and map out the directions for the future.

Technical and scientific papers detailing original and previously unpublished works are solicited in the areas of all the listed scientific fields. Authors are invited to submit papers for presentation at the virtual conference, and also publications describing their current research and development.

The conference proposes a wide range of scientific areas those can attract authors:

1. Social Sciences
2. Humanities
3. Natural Sciences
4. Computer and Information sciences
5. Engineering and Technology
6. Medical and Health Sciences
7. Agricultural Sciences

Social Sciences

- Psychology - Cognitive science, Applied psychology, Social psychology, etc.
- Economics and Business - Economics, Econometrics, Business and Management, International trade, Micro and macroeconomics, Banking, Financing, etc.
- Educational sciences - School education, ICT in education and learning, Formal and Non-formal education, etc.
- Sociology - Demography, Anthropology, ethnology, Social issues, Family studies, Social work
- Law - Human rights, History of law, Legal studies, constitutions, comparative law, etc.
- Political science - Organisation theory, Public administration, etc.
- Other social science

- **Humanities**

- History and Archaeology - Cultural heritage, cultural memory, Historical geography, etc.
- Languages and Literature - Literary theory, Linguistics, etc.
- Philosophy, Ethics and Religion - Theology, Philosophy, history of philosophy, etc.
- Arts
- Other humanities

- **Natural Sciences**

- Mathematics - Pure mathematics, Applied mathematics, Statistics and probability, etc.
- Physical sciences - Atomic, molecular and chemical physics, Nuclear physics, Optics, Acoustics, Astronomy, etc.

- Chemical sciences - Applied and industrial chemistry, Organic and Inorganic chemistry, etc.
 - Earth and related Environmental sciences - Mineralogy, Palaeontology, Geology, Environmental sciences, Climatic research, etc.
 - Biological sciences - Cell biology, Microbiology, Biochemistry and molecular biology, Genetics, etc.
 - Other natural sciences
- **Computer and Information sciences**
 - Computer architecture - Hardware platforms, Parallelled computing, Cloud computing, HPC, etc.
 - Networking - Network design, Signal processing and transmission, Sensor networks, Ad-hoc networks, etc.
 - Software - Software design and development, Operating systems, Open source, Design patterns, etc.
 - Web development - Information systems, E-commerce, E-business.
 - Intelligent systems - Artificial intelligence, Computer vision, Human Computer interaction, Image processing, Pattern recognition and classification, etc.
 - Databases - Data processing and management, Data storage, etc.
 - Other Computer and Information Sciences
- **Engineering and Technology**
 - Civil engineering - Architecture, Construction, Transport engineering, etc.
 - Electrical and Electronic engineering - Robotics and automatic control, Automation and control systems, Computer hardware and architecture , etc.
 - Mechanical engineering - Applied mechanics, Thermodynamics, etc.
 - Chemical engineering
 - Materials engineering - Ceramics, Coating and films, Paper and wood, etc.

- Medical engineering - Architecture, Construction, Transport engineering, etc.
- Other engineering - Space, Aeronautics, Nano-technology...

- **Medical and Health Sciences**
 - Basic medicine - Toxicology, Anatomy and morphology, Immunology, Pharmacology and pharmacy, etc.
 - Clinical medicine - Paediatrics, Hematology, Surgery, etc.
 - Health sciences - Epidemiology, Nursing, Public and environmental health, etc.
 - Other medical sciences

- **Agricultural Sciences**
 - Agriculture, Forestry, and Fisheries
 - Animal and Dairy science
 - Veterinary science
 - Other agricultural sciences

Abstracts and Full Paper are invited by 30 June 2017 for the following presentation types:

- Workshops
- Symposia
- Oral papers and posters
- Demonstrations
- Young investigator colloquium

Important Dates:

- Deadline for abstract submissions: June 12, 2017
- Notification of Decision: June 16, 2017
- Submission of Revised Papers: June 21 , 2017
- Conference: June 30 , 2017

Standard conference fee of (150 Euro/ paper) includes:

- Participation in the virtual conference (full support and access to the conference system during the conference).
- Online copy of the conference proceedings with **ISBN and ISSN numbers (online, CDRom)** (hard copy on CDrom - on request during the registration 125 euro extra fee).
- Certificate of participation at the conference.
- Administration expenses.
- Editorial expenses.
- Post conference processing, archiving.
- Each extra author is charged with additional fee of 35 euro.
